With your permission I will therefore place this cheque to the credit of your dues for the coming year, and I am enclosing a receipt. Please pardon our oversight.

Attention - Mr. D. L. Auld

My dear Sir:

I am enclosing, herewith, a letter from the Adjutant General of Missouri authorizing this society to secure from you the medals noted therein.

We have been receiving similar medals as gifts from the different States which have issued them, and also many manufacturers have supplied us with specimens which they were requested. As a member of our society, you are probably aware of our somewhat limited financial resources, and so we would be glad if you could extend the same courtesy to us, but we are prepared to pay for these if that is impossible.

We would, also, very much appreciate it if you would inform us as to whether your firm has manufactured service medals relating to the World War for any other States, municipalities, towns and private organizations. We are extremely anxious to make our Collection of these medals as comprehensive as possible.

Kindly return the letter of General Clark for our files at your convenience.

Very truly yours,

Assistant to Curator

Gentlemen:-

Upon receipt of your kind favor of the 17th inst. we referred the same to our Production Department, with the request that they furnish to us samples of all medals which they had on hand.

We are now in receipt of these and take pleasure in enclosing them herewith. We regret that the Spanish American medal which we are enclosing is slightly shop worn. We are nevertheless submitting it since this is the only sample of this medal we have left.

There will be no charge for these medals and we take pleasure in furnishing them for the use of your Society.

Yours very truly,

Gentlemen:

We have received this through the Ohio Historical Service Bureau and the Ohio State Board, and appreciate very much your courtesy in this matter.

For purposes of historical record, it is extremely important that our collection of American military medals be as complete as possible, and your contribution is of great importance in accomplishing this.

Have you by any chance considered medals for any other State, city or organization this discount, to be given to men who have served in the military forces of the United States.

Very truly yours,

Assistant to Curator

My dear Mr. Auld:-

We are enclosing herewith the third bill for your dues for 1922.

We cannot send you further publications till the current dues are paid.

Will you not give this matter your attention ?

Dear Mr. Auld:-

I am herewith enclosing bill for 1922 and 1923 dues. The non-payment of the 1922 dues has probably been an oversight. May we not hope for an early reply, as the Council meets on January 12th, and those who have not paid their dues for 1922 are to be dropped from the roll.

Your interest in this Society in the past makes us feel sure that in case you do not care to continue as a member, you would far rather pay the arrears and present your resignation in due form, than be dropped. We do hope however, that you will remain one of our members.

Very truly yours,

Acting Secretary & Curator.

We also wish you to consider this as our resignation from the Society, since our work has changed considerably and we do not believe the continued expense of membership is justified by our requirements.
